## REMARKS/ARGUMENTS

Claims 10-13, 17-19, 22-23 and 32-33 are pending. The claims have been amended. No new matter has been introduced. Reexamination and reconsideration of the present application is respectfully requested.

Claim Amendments

Claims 10, 33 and 34 have been amended.

In a telephone call with the Examiner on February, 2007, the Examiner noted that a number of corrections needed to be made to the pending claims. More specifically, the Examiner specified certain claims reciting "a nucleotide sequence" needed to be changed to "the nucleotide sequence" to ensure accuracy in reference to the precise nucleotide sequence recited. The Applicant thanks the Examiner for taking the time to make this clarification and has submitted the requested corrections.
